About Community Group of Institutions

Community Group of Institutions, a unique educational conglomerate is strategically located in Jayanagar, one of the best planned neighborhoods in Bangalore and, the largest in Asia. Community Institute of Commerce and Management Studies is located amidst sylvan and idyllic setting with lush boulevards all around.

The Community Primary School established in 1963, is known for quality education for 54 years. The Community cluster of Institutions offers education to all sectors from primary school to Post Graduation meeting the needs of local students who belong to the deprived section of society. This foray into education commenced with Community Centre Primary and High School. In 2007 it assumed greater proportions with the inclusion of Community Centre Pre University College, Community Institute of Commerce and Management Studies and CIMS-B School which extends yeomen service to more than 1,800 students. Each of these institutions has carved a niche for itself and is renowned and recognized for excellence in education.

About Community Institute of Commerce and Management Studies

Community Institute of Commerce and Management Studies, known for its innovation in curriculum design and execution strives to create congenial learning experience in the classrooms. Students benefit tremendously from placement opportunities in top notch companies, highly qualified staff with great expertise, state of the art infrastructure, varied learning tools and resources and above all the enviable opportunity for research and peer learning.

Community Institute of Commerce and Management Studies, the epicenter of quality education in Commerce, Management and IT strives to educate young men and women to serve their fellow men and women in justice, truth and love. It fosters an atmosphere of intellectual vigor and moral rectitude in which the youth of our country may find fulfillment and achieve greatness as eminent men and women of service in their chosen fields.

The institution proudly bears affiliation to Bangalore University. Every disciplined activity including sports and library science finds expression in various associations. Certified courses such as Tally, Business Accountancy and other industry institute interface programmes are conducted to promote greater opportunities for placement.

Purpose of Workshop

National Assessment and Accreditation Council (NAAC) currently assesses the quality of colleges using a new methodology.

Under the new methodology, the higher education institutions are assessed and accredited by a two-step approach. In the first step, the institution is required to seek 'Institutional Eligibility for Quality Assessment (IEQA)' and the second step is the assessment and accreditation of the institute under the grades 'A', 'B', 'C' for accredited institutions; and for those which are not accredited.

Who Can Participate

Deans, Directors, Principals of colleges, NAAC Coordinators, IQAC Coordinators and faculty of colleges who wish to be acquainted with the new methodology for enhancement in grade can participate in terms of preparation and documentation.
