### Likith P, 6<sup>th</sup> sem BCA

“My experience in CICMS is a wonderful journey which started 3 years ago. We have the best faculty I must say. I’ve got all the opportunities to display my talents and abilities with all the support of my institute. I am fortunate to be under the guidance of the best ever supportive faculty of my life. They made my quest for knowledge so enthusiastic and helped me in becoming a better & competent individual. I had all the best facilities as a Computer Science student.” Thanks to the encouragement and guidance of the college..... I have been placed in TCS.

### Rachana, 6<sup>th</sup> sem BCA

The college has helped me in achieving excellence and creating the ambience for a remarkable future. My experience has been awe inspiring during the three year BCA course.. I am really blessed to get such supportive teachers who gave a helping hand in facing all my struggles and hurdles. The prescribed portions of Bangalore University was dealt with utmost perfection and practicality which would help any student in understanding the concepts with clarity. Cultural activities helped me to exhibit my inherent hidden talents.. I had a wonderful experience at CICMS with no regrets and utmost satisfaction.

**Computer Lab:** The college has state-of-the-art computer labs so that students can keep abreast with IT enhanced learning programmes. They gain proficiency and dexterity in current technology with optimized supportive infrastructure with the latest hardware and software and a team of extremely competent staff. The college ensures that students have the advantage of being familiar with up to date technology advances in IT based educational initiatives.

**Library:** Be it books, newspapers, question papers, syllabus and other innumerable reading material, the college library has everything in store for students. The best thing about the college library is undoubtedly the peaceful reading environment it provides.

**Auditorium:** The auditorium is spacious, well ventilated and has a well furnished hall. A regular venue for conferences, workshops and seminars, the auditorium has all the facilities to enhance the learning process and is a vast space that serves the varied requirements of quality education. The auditorium offers facilities such as LCD projectors, screens, white-boards for delivering lectures. It also provides ample opportunity for our staff and students to exhibit their talents in cultural activities.

**Classrooms:** Classrooms provide the appropriate ambience for learning and teaching. They are very spacious, large and amply ventilated with comfortable benches and equipped with LCD and projector. It wouldn't be an exaggeration to say that the classrooms are exclusively designed for the comfort of students. Every classroom is thoughtfully provided with a lectern.

**Placement Visits:** The placement cell is well furnished with lecture room chairs and a projector and LCD screen. Like the classrooms it is spacious and well ventilated. Recruiters who come in for campus placement always compliment and praise the well equipped placement cell that provides the right ambience for group discussions.
